CERTIFIED RELUBRICATION FACILITY

It is my pleasure to inform you that Intercontinental Bearing Supply Co. Inc. is hereby re-approved as an "NHBB / NMB Certified Re-Lubrication Facility". This designation allows the holder to wash and lubricate bearing assemblies, and includes the removal and replacement of removable bearing shields, and seals, provided that all replacement components are furnished by NHBB for NHBB product and NMB for NMB product. Unless previously authorized at no time are you approved to substitute NHBB components for use on NMB bearings or NMB components on NHBB bearings. Full bearing and component traceability must be maintained at all times.

This authorization does not include bearings with closures considered to be non-removable. Continuation of this authorization requires annual reaffirmation of compliance.

Please do not hesitate to contact me if we can be of further assistance.

Best regards,

Julie A. Conner
Quality Assurance Manager
