Attn: Mr. John Turner, Quality Manager

Subject: AUTHORIZED RELUBRICATION FACILITY for Roller Bearing Company of America (RBC)

This letter is to inform you that Intercontinental Bearing Supply Company, Inc. (IBSCO) is hereby approved as an authorized RBC Relubrication Facility. This designation allows the holder to wash and lubricate spherical and rod end bearing assemblies; needle bearing assemblies designed with relubrication features; airframe control bearings and other ball bearing assemblies including the removal and replacement of removable closures (seals and shields), provided that all replacement components are furnished by RBC for RBC product. Full bearing and component traceability must be maintained at all times. This authorization does not include bearings with closures considered to be non-removable.

Continuation of this authorization requires reaffirmation of compliance by June 30, 2022.

Please do not hesitate to contact me if we can be of further assistance.

Best regards,
